## ADDITIONAL INFORMATION

Jaipur is pleasant in November! During the daytime the max temperature is usually 84°F (29°C) and at night the min temperature is usually 55°F (13°C).

As many events are planned outdoors, we suggest you bring something light to stay cozy in the evenings. Some of the events will be on grass as well in case you would like to bring comfortable shoes.

Dry Salon, Saree Draping & Steam Ironing will be available.
